**Who:** The men who work at CAA will be preparing lunch for all of the female employees, donning chef hats and aprons as they serve their creations.

The lunch will include an eclectic mix of food from southern style soul food to venison to glazed salmon to shrimp fromagé. It has become quite the competition to see who can prepare the best dish.

**Why:** CAA's Men's Cook is an annual event that brings fun and fellowship to the CAA employees who work tirelessly to assist Hamilton County's low-income population. Especially in this tough economy, the clients' stories that employees hear on a daily basis can be heartbreaking. This event is one of many throughout the year designed to help keep morale up so that CAA can serve our clients with the compassion and dedication they deserve.

The Cincinnati-Hamilton County Community Action Agency is a private, non-profit organization that has served as a lifeline for low-income children and adults throughout Hamilton County for more than four decades. Delivering a seamless system of services, CAA provides assistance with employment, supportive services, home energy bills, home weatherization, early childhood education, housing, and youth programs.
