Let CAA's

Workforce Development programs

help you...

... Obtain Employment.

Employment & Training Resources (ETR) Program

Receive job readiness training, job referrals and placement, career counseling, resume assistance, and job retention coaching to help you find and main employment.

Ex-Offender Fresh Start Program

Receive comprehensive employment assistance with a focus on overcoming the unique obstacles ex-offenders face.

... Gain Valuable Job Skills.

Computer Training Courses

Improve your career opportunities by learning the most commonly used computer programs — Microsoft Word, Excel, and PowerPoint.

... Enhance Your Education.

Adult Basic and Literacy Education (ABLE) Services

Boost your reading, writing and math skills with a customized program matched to your specific learning abilities.

GED Preparation Services

Gain the knowledge and confidence to earn your GED by following an individualized study program designed by CAA staff.
